

Strategic Initiatives Consulting (‘C Suite’ Coaching)

“An organization’s ability to learn, and translate that learning into action rapidly, is the ultimate competitive advantage.” — JACK WELCH

We are living in a **period of volatility, unpredictability, complexity and ambiguity, where the pace of change continues to escalate**. These factors are representative of a changing global market place, where the **‘new rules of business’ require both organizational and individual repositioning**.

This is a customized annual process whereby we will act as your:

- Organizations **‘strategy resource’**
- **Personal and confidential sounding board and coach** – assisting you with the inevitable turbulence associated with the execution of strategic initiatives.

If you face any of the following challenges as an executive, the Strategic Initiatives Consulting process will significantly assist you:

- Increased and non traditional competition
- Being pulled in many different directions, at the same time
- Leading, managing and engaging a more complex workforce
- Leading change throughout the organization
- Managing and persevering through the inevitable noise
- Necessity for improved operational effectiveness – improved quality, lower operating costs, improved profitability,
- Not having the time to think strategically

Our approach focuses on first **gaining a deep understanding of your business**. Then we are able to **provide a different point** of view to **assist you and your leadership team to develop tailor made solutions** that will move you and your organization forward.

Outcomes:

1. Personal leadership development
2. Confidence in your strategy
3. Improved overall organizational results
4. Positioning for future growth and sustainability
