Strategy Execution Evaluator

1 = Not in Place 2 = Needs Work 3 = OK 4 = Good 5 = Excellent

Key Principles and Activities	Score
1. Top management is committed to the initiatives/goals that stem from the strategy.	
2. Vision and strategy is clearly understood throughout the organization.	
3. New behaviours have been identified and implemented, that relate to our new way of operating.	
4. Each executive has a specific assignment/role in support of the strategy?	
5. A 'corporate scorecard' (with specific measures) has been created and put in place.	
6. Team/Department Key Initiatives are prioritized in accordance with the strategy.	
7. All business processes have been reviewed and aligned for their contribution to the strategy.	
8. Each business unit/area is aligned around shared goals and objective.	
9. Synergies between business units/areas have been identified and implemented – consistent with the strategy.	
10. All team members understand how their goals contribute to the strategy.	
11. All team member's incentives / rewards are aligned with the business scorecard and strategy.	
12. People are receiving specific training that aligns with the business scorecard & strategy.	
13. A 'business scorecard' system has been established based on both a current and future orientation.	
14. Regular team/department scorecard review meetings are being held.	
15. Best practices have been created that are linked to the strategy.	
16. Management of the strategy is the way we do business, not an event.	

What do the results from this evaluation tell you about your strategy execution?
